Lab Assignment – Handling Frames

Practice handling **frames and nested frames** in Playwright using frameLocator(), locating elements inside frames, performing user interactions, and validating results using assertions.

Application URL:
https://ui.vision/demo/webtest/frames/

Test Cases

TC ID	Test Scenario	Steps	Expected Result
TC001	Verify Frame 1 input field	Open the Frames page, switch to Frame 1, enter **"Welcome"** in the textbox, verify the value.	The textbox should contain **"Welcome"**.
TC002	Verify Frame 2 input field	Open the Frames page, switch to Frame 2, enter **"Suneel"**, verify the value.	The textbox should display **"Suneel"**.
TC003	Verify Frame 3 parent frame textbox	Navigate to the page, switch to Frame 3, enter **"You are in Frame 3 - Teal"**, verify the entered value.	Text should be entered successfully.
TC004	Access nested iframe inside Frame 3	Switch to Frame 3, then switch to its child iframe (Google Form).	Nested iframe should be accessible.
TC005	Select radio button inside nested frame	Select the radio button **"Hi, I am the UI.Vision IDE"**.	Radio button should be selected successfully.
TC006	Select checkbox inside nested frame	Select the checkbox **"Form Autofilling"**.	Checkbox should be selected successfully.
TC007	Navigate to next page of Google Form	Click the **Next** button.	User should navigate to the next section of the form.
TC008	Fill short answer textbox	Enter **"We are here"** in the short answer textbox and verify the value.	Entered value should match the expected text.
TC009	Fill long answer textbox	Enter **"We are able to access all element in child frame"** in the long answer textbox and verify the value.	Text should be entered successfully.
TC010	Submit Google Form	Click the **Submit** button.	Form should be submitted successfully.

TC011	Verify submission confirmation	Read the confirmation message after submission.	Confirmation should contain **"Thank you for testing the UI.Vision"**.
TC012	Verify Frame 4 textbox	Switch to Frame 4, enter **"Frame 4 Text"**, verify the value.	Textbox should display **"Frame 4 Text"**.
TC013	Verify Frame 5 textbox	Switch to Frame 5, enter **"playwright"**, verify the value.	Textbox should contain **"playwright"**.
TC014	Verify logo inside Frame 5	Click the provided link inside Frame 5 and verify the displayed logo.	Logo should be visible.
